Draksa Law Firm was founded in 2023 and is dedicated to providing high-quality legal services to meet the unique needs of its clients. Co-lead by Daniel Aritonang and Raden Farhan Kamil, the firm aims to offer innovative and dependable solutions to effectively address the legal concerns of its clients.

Daniel Aritonang S.H

Founding Partner and
Managing Partner

Prior to founding Draksa, Daniel served as a lawyer at Widyawan & Partners, in association with Linklaters, a globally recognized international law firm. With over seven years of professional experience, he has developed deep expertise in corporate and commercial law, mergers and acquisitions (M&A), dispute resolution, and restructuring and bankruptcy.

Daniel advises clients across a broad range of sectors, including energy, construction and real estate, manufacturing, trading and retail, entertainment, and technology. He is a licensed advocate and an active member the Indonesian Advocates Association (PERADI), the Indonesian National Association of Legal Auditors (PAHN) and the Indonesian Association of Mining Legal Consultants and Advocates (PERKHAPPI).

Daniel graduated with honors (Cum Laude) in February 2018 from Binus University, majoring in Business Law. During his time at university, he served as the Vice Project Officer for an event titled "BVoice 20th Anniversary - the Infinity of Frequency" and was actively involved as a reporter.

Draksa Law Firm was founded in 2023 and is dedicated to providing high-quality legal services to meet the unique needs of its clients. Co-lead by Daniel Aritonang and Raden Farhan Kamil, the firm aims to offer innovative and dependable solutions to effectively address the legal concerns of its clients.

Raden Farhan Kamil S.H

Founding Partner

Before co-founding Draksa Law Firm, Farhan gained valuable experience by working at several well-established and highly regarded law firms in Indonesia. Throughout his legal career, he has been actively involved in a diverse range of legal matters, particularly in the areas of civil and commercial litigation, intellectual property rights protection, and restructuring and bankruptcy.

Currently, Farhan focuses his legal practice on dispute resolution as well as restructuring and bankruptcy, where he advises clients on complex commercial disputes, insolvency proceedings, and corporate recovery strategies.

Farhan is a licensed advocate and an active member of the Indonesian Advocates Association (PERADI). He also contributes to the professional development of the legal community through his role in the PERADI Young Lawyers Committee.

Academically, Farhan holds a Bachelor of Law degree in Business Law from Binus University, where he built a solid foundation in both legal theory and business principles.

Vision

To redefine excellence in the legal industry through our unwavering commitment to delivering exceptional and tailored legal services.

Mission

To forge a new path by providing innovative and reliable solutions that precisely address the diverse legal concerns faced by our clients.

Corporate Establishment

We assist clients in establishing their business presence in Indonesia, offering services such as entity/business establishment, licensing, asset management and intellectual property protection.

Corporate Retainer

We offer a retainer scheme to assist clients with their ongoing legal compliance and commercial activities. Our services include corporate secretarial and compliance support, commercial contract management, data privacy, business expansion guidance and project development assistance.

Corporate Transaction

We assist clients with corporate actions such as legal due diligence and finalizing financing or M&A transactions. Our services include legal financing support and various types of M&A transactions such as share acquisition, asset acquisition, merger and spin-off.

Foreigner Immigration & Employment

We assist clients in managing immigration for foreigners and employment documents. Our services include visa application, foreign worker license, recruitment support and termination assistance.

Dispute Resolution

We provide comprehensive services for commercial dispute resolution, including criminal litigation, commercial litigation, arbitration, restructuring & bankruptcy and handling special matters disputes such as family dispute, consumer rights, industrial relation, intellectual property dispute and environmental dispute.
